NOTES:

- You must present the Instructor with a “Training Authorization Letter” from your Chief before the third class, failure to do so will prevent you from continuing in the class.
- ICS-100 is an online, self-study course, visit www.statefireschools.com for a link to FEMA’s website.
- A complete set of PPE, SCBA and spare bottle and a minimum of 1 quart of WATER are required at ALL classes, unless otherwise instructed. TWO quarts required for all burn classes. Starting with Unit 5, hand-tool and flashlight is required for all classes. Starting with Unit 8, an 8-10 ft rope suitable for knots is required for all classes.
- Textbooks and course materials at ALL classes, unless otherwise instructed. Two engines with ladders and operators, EMS team (rehab) and FAST (minimum 4 qualified interior firefighters) will be needed for all burn classes. Additional assignments will be made throughout the course and all departments are expected to assist.
- All reading assignments are from Delmar Firefighter’s Handbook, 2nd ed., New York Edition, unless otherwise noted.
